FOREWORD

The Staff of 1932 dedicate the Black and Gold to the faculty and students of Perrysburg High School. We hope that it will serve as a reminder of the happy days spent at dear old P. H. S. If this is accomplished the Staff will feel that its work has been successful.

History of Perrysburg

In 1816, parts of the United States Reservations, including the present site of the village of Perrysburg on the lower Maumee River, were surveyed for settlers by Alexander Bourne, and Surveyors Joseph Wampler and William Brookfield in accordance with the Act of Congress.

The United States was given all unsold lots and out-lots of the town plot of Perrysburg in 1822, on condition that the public buildings of Wood County be located there. For the purpose of attending to the erection and repairs of the public buildings of the County, a special session of the board at Perrysburg was convened in 1823.

A Court House for Wood County was built at Perrysburg in 1823. A brick building was built to replace this in 1843.

Along with the march of events and the accomplishment of brave deeds in pioneer days, journalism kept pace with the current topics of the day.

In the Maumee Valley, the Battle of Fallen Timbers over-shadows all other historical events, and present-day historians are prone to overlook many deeds that were recorded in the local histories of the Maumee Valley.

So rich is it in the point of pathos and humor that a long and continued story would have to be written in order to do it justice. Strange to say, less than a hundred years ago, Perrysburg was a larger and more important city than Toledo. The Perrysburg Journal of 1853 compliments the "Baby Newspaper," "The Toledo Blade."

March 10, 1853, Silman Clark published Volume No. 1 of the Perrysburg Journal, in the same building which houses it now. Like an old grist mill it stands against the vicissitudes of time and circumstance, in spite of the years and the steep embankment, where it stands on the brink.

History of Perrysburg

(*Continued*)

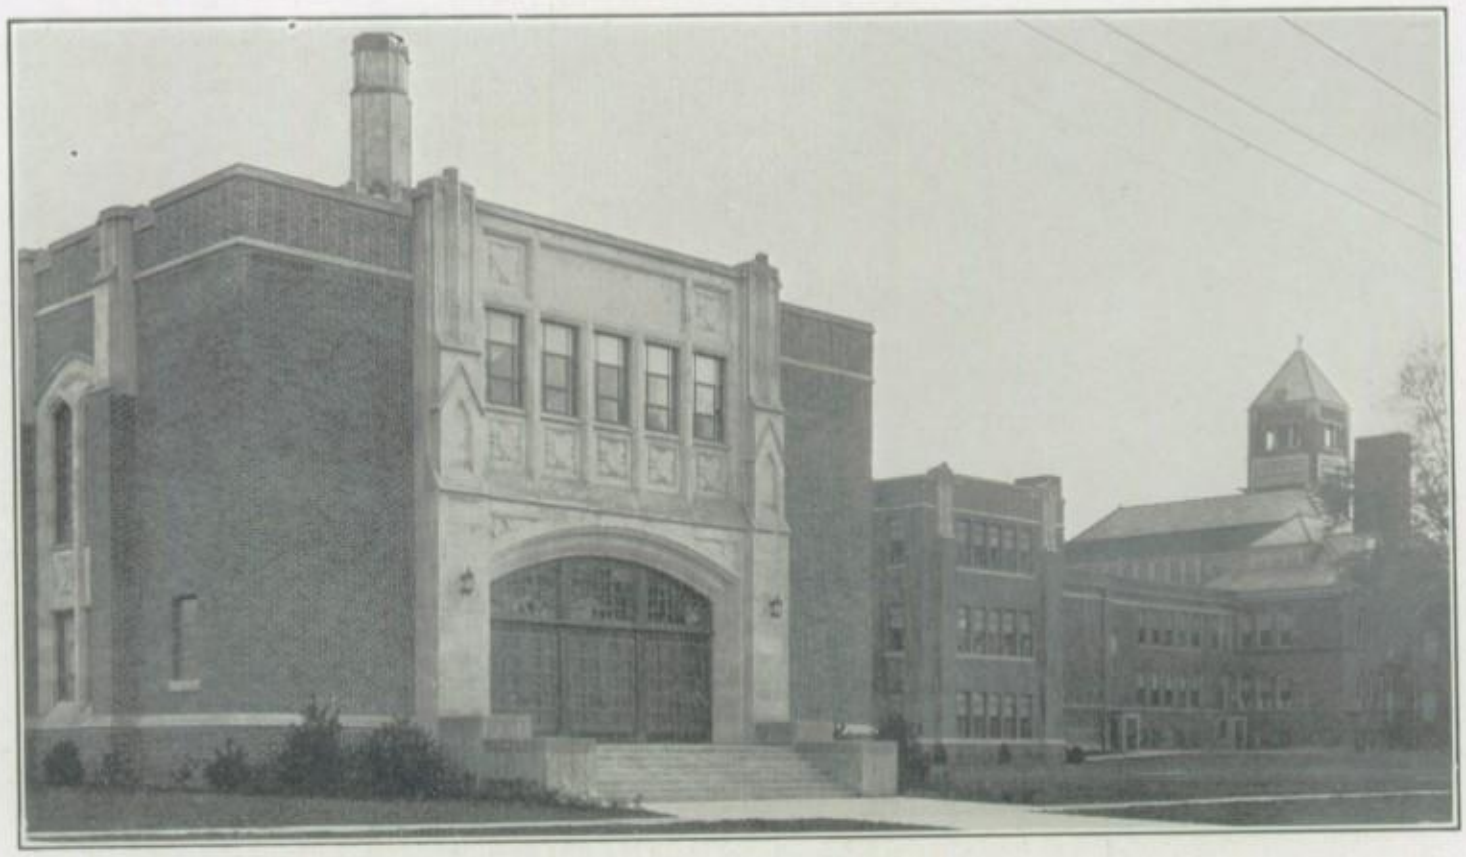
Quaint and strange was the form of copy and style of writing in those days. It is almost impossible to realize that just 78 years ago automobiles and airplanes were undreamed of.

Education on the Maumee, dates back before the War of 1812. A private school was maintained by the settlers, first at Miami and later at Fort Meigs. A grade school was organized by J. W. Ross in 1846. The first high school was founded in 1848 by A. D. Wright. The high school building at this time was a brick structure, 60 x 90 feet.

Because of the increase of students entering P. H. S. every year, the building was enlarged in 1868. This building was destroyed by fire in 1894. What is now the grade building was built in 1895 and enlarged in 1917. The present high school building was built in 1931.

The high school enrollment has increased very rapidly. In the first year of our school, 1849, the student enrollment was 50. Today the high school enrollment is 333 students and the enrollment of the grade school is 575.

Perrysburg High School was the first school in this section to become a member of the North Central Association of Colleges and Secondary Schools, and her standards are maintained year after year by a very competent faculty. In 1925 we became a member of the National Honor Society of Secondary Schools. This year's Senior Class is proud to say that it is the first class to graduate from Perrysburg High School since it has become a class A school.



An Appreciation of the New High School

In thinking of our new school from a Senior's viewpoint we, perhaps more than any other class, appreciate the many advantages and opportunities which it offers us.

Our beautiful auditorium, which in a sense reminds us of a college chapel, is in itself an inspiration for our convocation periods. Then too, along the line of dramatics we have opportunities never before offered to us, with our spacious stage and beautiful curtains, scenery, and lighting effects. The attendance at various affairs held in this auditorium has indeed been good.

The gymnasium is another very fine feature of our new system. As everyone will agree, from the very fine attendance at the Basketball games, the public derives almost as much benefit and pleasure from the gymnasium as do the pupils themselves. Thus we feel that there is a closer feeling of relationship and interest between the community and the student body. Also the gymnasium has afforded an opportunity this year, and will even more so in years to come, for the students to become stronger and more physically fit individuals.

Turning a moment from the social and athletic features of our school, our attention is centered upon advantages offered to us for developing the mental side of our nature. The class rooms are large and very well ventilated. Together with these qualities, very beautiful pictures, significant of the subjects taught in each room, adorn the walls, and are in themselves an inspiration to one to study and better one's self mentally in every possible way.

We Seniors consider ourselves very fortunate in being able to spend our last and best year in this new institution and feel that we are much better prepared to meet life's problems as an alumni of P. H. S.

As a parting word we wish to advise the under classmen to make the best of their remaining years in Perrysburg High School and grasp all the opportunities that are offered.

Class History

CHAPTER ONE

Early in September, four years ago, about ninety-one "specimens" of "human beings" were seen wandering aimlessly about the halls and rooms of P. H. S. After a few weeks of getting acquainted with the right and the wrong rooms of the building, Mr. Canfield, our sponsor, called a meeting of the Freshman Class. The following were selected to guide us through our first year:

MERLIN WITZLER ..... *President*
RALPH MERICLE ..... *Vice-President*
FREDERICK GRISS ..... *Secretary*
WESLEY STANFORD ..... *Treasurer*
DOROTHY MAHLER ..... *Class Reporter*

Several members of our class succeeded in placing their names on the honor roll throughout the year. After nine months of ceaseless toil we looked forward to summer vacation.

CHAPTER TWO

The next fall sixty-three members returned in a more serious and deter-termined manner.

Under the guidance of Mr. Huffman we began the year by electing the following officers:

ALFRED SNYDER ..... *President*
HELENE BAKER ..... *Vice-President*
MARGARET TINNEY ..... *Secretary*
THOMAS LAFARREE ..... *Treasurer*
THELMA ROSE KISER ..... *Class Reporter*
ARTHUR WILSON ..... *Cheer Leader*

The class chose the "Carnation" as the class flower; Green and White as our class colors, and the well meant motto, "To The Stars Through Difficulties."

We entertained the High School with a party in the Town Hall in April.

CHAPTER THREE

When school was resumed last year, only fifty members reported as Juniors. Mrs. Milburn was our able sponsor, and we selected the following class officers:

THOMAS LAFARREE ..... *President*
MARGARET TINNEY ..... *Vice-President*
VELMA SWARTZ ..... *Secretary*

Class History

(*Continued*)

RALPH MERICLE ..... *Treasurer*
ROLAND ZACHMAN ..... *Reporter*
DONNA SCHOENBERGER ..... *Cheer Leader*

The class voted to keep the same colors, motto, and flower of our Sophomore year.

This year our members took a greater interest than ever in school activities.

We gave a Christmas party and with the Sophomores, sponsored the banquet.

During the course of the year, two of our classmates, Irene Goeckerman and Alfred Snyder, were elected to the National Honor Society.

When vacation time drew near, we realized we had but one more year in P. H. S., and our spirits dampened. We resolved to make it our most successful year.

CHAPTER FOUR

The fifty-one students who returned to the beautiful new home of P. H. S. were determined to leave behind them a record of which P. H. S. would be proud of in years to come. For guidance through our final year we elected:

THOMAS LAFARREE ..... *President*
VELMA SWARTZ ..... *Vice-President*
ALFRED SNYDER ..... *Secretary*
RALPH MERICLE ..... *Treasurer*
MARGARET TINNEY ..... *Reporter*
NORMA CHARLES ..... *Social Chairman*

We continued the old custom of publishing the "Somethin'" every six weeks.

At the end of the first semester the following members were elected to the National Honor Society: Homer Reitz, Margaret Tinney, Velma Swartz, Vera Ward, Ella May Plummer, and Ethel Cupp. We are proud of our classmates who have received this honor.

Under the sponsorship of Mr. Barber and Miss Forsyth we feel our Senior year has been successful.

Class Prophecy

By Helene Baker

After traveling abroad very extensively I returned to Perrysburg and being very eager for news of the Senior Class of 1932, I visited some of my old friends.

First, I heard that our class president, Thomas LaFarree, is the manager of Southern California's football team, while James Inman is the coach.

Margery Acklin is now giving art lessons at the Toledo Museum of Art.

Norval Coil who is in the movies has Donna Schoenberger as his leading lady, in his next picture.

Velma Swartz is editor of the Ladies' Home Journal. Helen Christian and Dorothy Reitzel write the material for the Home Economics Section of this same magazine.

Frederick Boetsch is starring in the motion picture, "The Return of Frankenstein." Ella May Plummer, his faithful wife, helps him with his make-up.

Helen Sweet is continuing the undertaking business at the "Rossford Funeral Home."

Helen Finch and Norma Charles are dancing in Flo Ziegfeld's Follies.

Ralph Mericle is Art Editor of the College Humor magazine.

Erma Kazmaier went to California, as governess of Joe Brown's children. We wonder if her going to California has anything to do with Thomas' presence there.

Harry Sterling is author of popular novels. Garnet Friess is his secretary.

Margaret Tinney is private secretary to the Governor of Ohio.

Robert Degner is continuing his father's business, as a contractor.

We find Ethel Cupp and Irene Goeckerman among the faculty at Perrysburg High School.

Ben Turner is the swimming instructor at the Y. M. C. A. building in New York City.

Class Prophecy

(*Continued*)

Miriam Schneider is head nurse at the Ford Hospital in Detroit. Isabel Stickles acts as her assistant.

Roland Zachman is sports announcer over a coast to coast network.

Vera Ward and Anne Bazavik are bookkeepers in the office of Alfred Snyder, who is a successful lawyer.

Russell Swartz, Homer Reitz, and Wendell Bihn own a chain of truck farms throughout the Middle West.

Alma Grace Limmer and Josephine Protsik give piano lessons at the Conservatory of Music in Toledo.

Art Wilson made his debut recently in the Metropolitan Opera.

Norma Lintner and Margaret Kleeberger own a successful beauty shop in Lime City.

Walter Zieman is the star player on Yale's varsity football team.

Beatrice Burkhart and Elsie Swartz own the only Cafeteria in Perrysburg.

Merlin Witzler appears frequently in the speed boat races on the Maumee River.

Charles Lober holds a patent on the latest radio invention.

Eugene Charles, John Smith, and Ervin Clark are aviators at the new airport here.

Frank Reis is professor at Wittenberg College.

John Wygant and Ben Thornton are successful detectives of Scotland Yard.

Clarence Degner is composing love lyrics for the Violin. He is heard playing them over the radio.

Franklin Kazmaier is manager of a meat market in Chicago.

After hearing about all these most successful accomplishments of my classmates, I feel very proud, to have graduated with such a distinguished class of young people.

Junior Class History

On the first day of school in September, 1929, about ninety Freshmen reported. We were utterly lost, as Freshmen usually are.

At our first meeting the following officers were elected:

WILDA WALKER ..... *President*
HAROLD GOEKE ..... *Vice-President*
CARL ECKEL ..... *Secretary and Treasurer*
JAY TWINING ..... *Reporter*

With Mr. Canfield as our sponsor, we had a very successful year.

At the beginning of the Sophomore year about eighty students registered as Sophs. This year our officers were:

JAY TWINING ..... *President*
WILLARD ROBISON ..... *Vice-President*
JAMES CRANKER ..... *Secretary*
VIRGINIA HAYES ..... *Treasurer*
LILY WILLIAMS ..... *Reporter*

Mr. Canfield was again our sponsor.

When school opened this year, about seventy-five members reported as the Junior Class. Officers were elected as follows:

WILLARD ROBINSON ..... *President*
HAROLD GOEKE ..... *Vice-President*
JAMES CRANKER ..... *Secretary*
VIRGINIA HAYES ..... *Treasurer*
HORACE STEPHENS ..... *Reporter*

We have progressed rapidly under the able sponsorship of Miss Hunter and Mr. Huffman. We hope to keep our high standards during our Senior year.

Mr. Huffman, our sponsor, lead us through the year. We, the Student Council, feel that this organization has not been in vain and has accomplished something worth while for the school.

National Honor Society

Since the National Honor Society was organized in 1925, fifty students have been given this distinction. Qualifications for membership are scholarship, character, service, and leadership. The faculty elects five per cent of the class in the Junior year, and the remainder of the 15 per cent in the Senior year.

We feel that this organization encourages the students to take a greater interest in the studies as well as the school activities.

This year our class is represented by Irene Goeckerman, Alfred Snyder, Margaret Tinney, Ethel Cupp, Vera Ward, Ella May Plummer, Homer Reitz and Velma Swartz.

The students elected in the various years were as follows:

Play Casts

The play "Daddy Long-Legs" has a very interesting and pleasing plot. The story centers around an orphan girl. Judy Abbott who has lived in an orphan's home for 18 years, and in whom Jervis Pendleton, a wealthy trustee of the home suddenly takes a keen interest, and whom Judy calls her Daddy Long-Legs, as she has never seen him. The play develops very rapidly from this point, telling how Jervis learns to love Judy a great deal, and she in turn loves him, who is reconciled at the conclusion of the play, as her Daddy Long-Legs.

ATHLETICS

COACH BACHMAN—This is Mr. Bachman's second year with us, and we appreciate his work very much. When he issued his call for football candidates forty fellows responded. Around his mainstays, Inman, Boetsch, Zieman, Thornton and Mericle he built his team. We wish to thank you Mr. Bachman for your work and hope you will be with us next year.

DOC CANFIELD: *Assistant Coach*—Doc was always there when we needed him. He coached the second team and through hard work shaped the new timber into a fairly good team. We thank you Doc and hope you do the same next year.

MR. TREECE: *Faculty Manager*—This man is the main cog in P. H. S. athletics. Due to his cheerful disposition, his keen interest and his everlasting willingness, every fellow on the team tries to do his best.

CAPTAIN INMAN: *Fullback*—Jim ended his football career with a bang. He played fullback and proved his worth at this position in the Maumee game. So long, Jim.

FRED BOETSCH—Ducky played guard and was great on the defense. He was a big man and his opponents soon discovered this fact. Too bad, Ducky, you are leaving us.

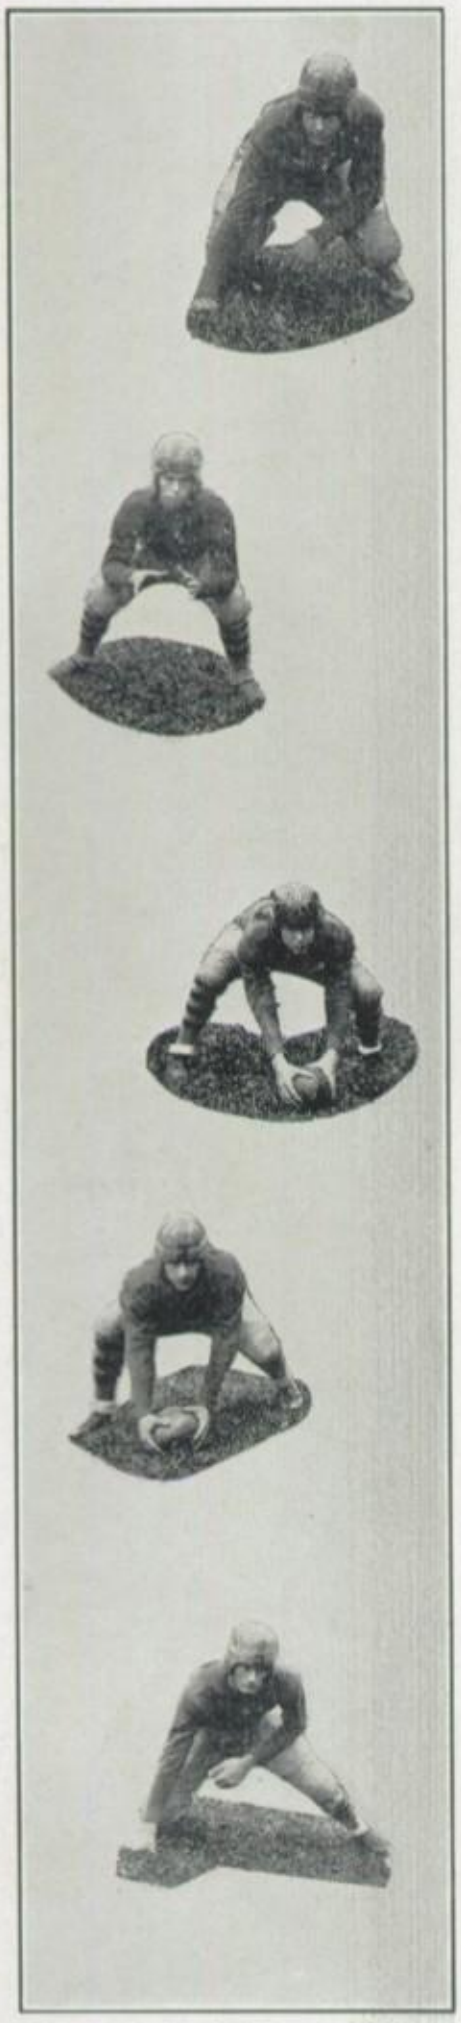
WALTER ZIEMAN: *End*—We can never do justice to this man. Walt played end, and halfback this year, and was outstanding in both positions. He showed this in the Whitmer game. So long Walt!

RALPH MERICLE: *Halfback*—Even though Merry did fall asleep in the study hall once in awhile, he certainly didn't sleep on the field. Merry was small but mighty, to his opponents. He's a Senior so we have to say goodbye.

NORVAL COIL: *Guard*—Coil was a new member of the squad this year. He started poorly but soon showed us he could fight. Sorry you can't stay next year, but graduation will take you.

BEN THORNTON: *Tackle*—Another Senior whose place will be hard to fill next fall. A fighting tackle with that never say die spirit. When Ben tackled they stopped and stayed stopped. Sorry you can't be with the team next year, Ben.

FRED SCHWIND: *End*—Fred could fight and he surely proved it. If every player fought as he did, the opposing teams would have been completely outplayed. Next year he will make them take notice.



LEONARD DEBBE: *Tackle* — Debbe was one of our little fellows on the line. He was surely a threat to the opposing teams, and played best on the offense. Debbee's only a Junior, and we expect a lot from him next year.

GERALD HIRSCH: *Quarterback*—Gerry was built close to the ground, but when he once started, he could run circles around his opponents. Gerry will be back next year and we can expect a great deal of excitement when he gets loose with the ball.

HENRY KUTSCHKE: *Center*—Hank came here from Toledo and proved himself a big help to the team. Although lightly built, he held his own against his opponents. Come on Hank, let's go next year.

HORACE STEVENS: *Center*—Horace was always getting bumped on the nose. Although small, he was a fighter. Horace will be with us next year and we expect a great deal.

JAY TWINING: *Tackle*—Here is a fellow who could reach over their heads and get the ball. He was our best man for breaking up the other team's plays. We expect a lot from Jay next year at tackle.

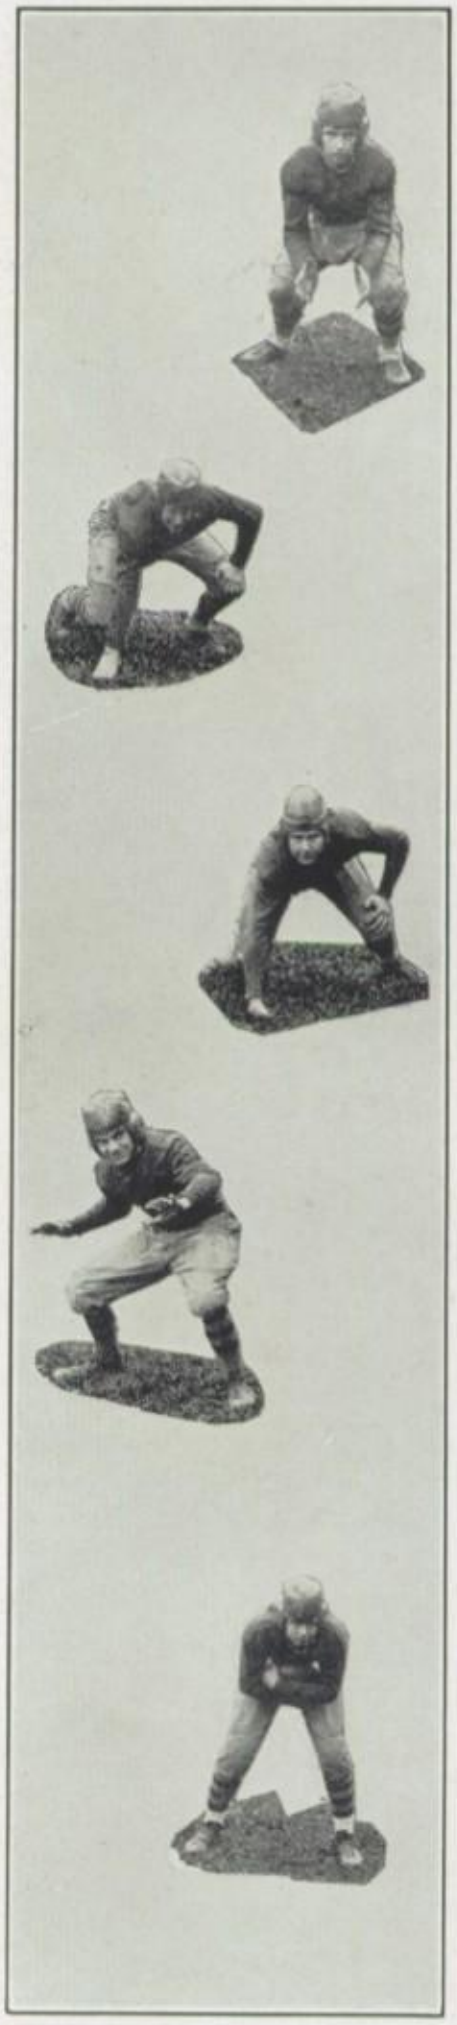
PAUL DUQUETTE: *Halfback*—Duke got started on his left foot this season, but he soon improved. He played well in the backfield, for a new man. We hope to see some great playing from this fellow next year.

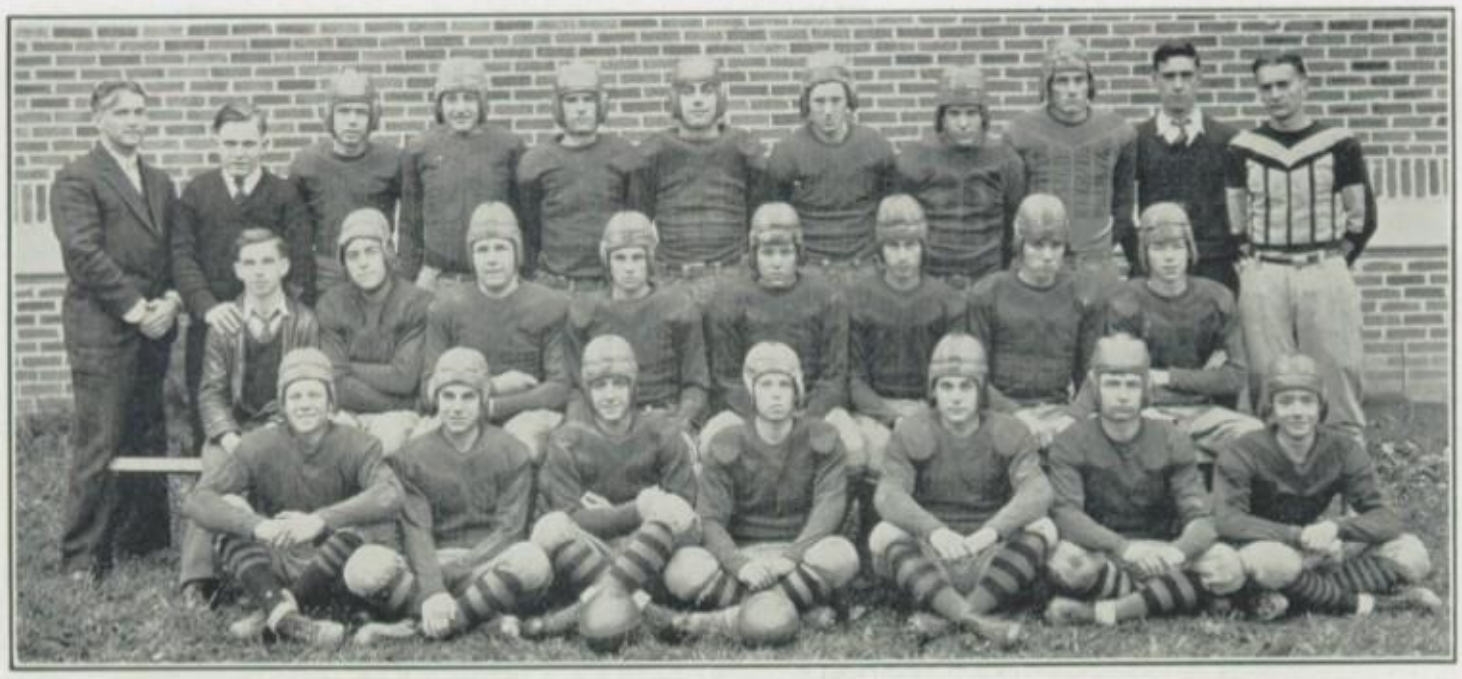
MELVIN BROSSIA: *Guard*—Red was one of those red-headed fighters. He was slow in getting started, but when he did he was hard to stop. He has two more years to go. Let's go Red.

WILLIAM SASS: *Guard*—Bill was the big man on the line, and I think the opposing teams knew it. Bill will be with us two more years, and so we still have a chance to see him play.

DICK WELLSTEAD: *End*—Dick was a Freshman this year. He played end, and was always on the dot with Zieman. We will probably hear much from Dick in the next three years.

BRUCE BODART: *Fullback*—Bruce was another Freshman on our team, but he proved he wasn't so green after all. He was injured the latter part of the year, but we hope to see him fighting for his school again next year.





Football Squad

Perrysburg closed its football season in a fine manner this year, winning six out of ten games. We think the team did fine work this year, and hope that in the future it will do even better.

FOOTBALL SCORES

Rossford—Nov. 26	20	(there)	P. H. S.	2
Opponents	90		P. H. S.	224

JAMES INMAN—"*Jimmie*"—*Captain*. Jim was one of the finest guards ever developed at P. H. S. He was strong on both offense and defense. His greatest accomplishment was in the Rossford game here when he succeeded in holding Peer, Rossford's star, scoreless and at the same time contributed several baskets to the Perrysburg score. He was a fighting captain and an outstanding leader in every game. His graduation this year will be a severe blow to P. H. S. athletics.

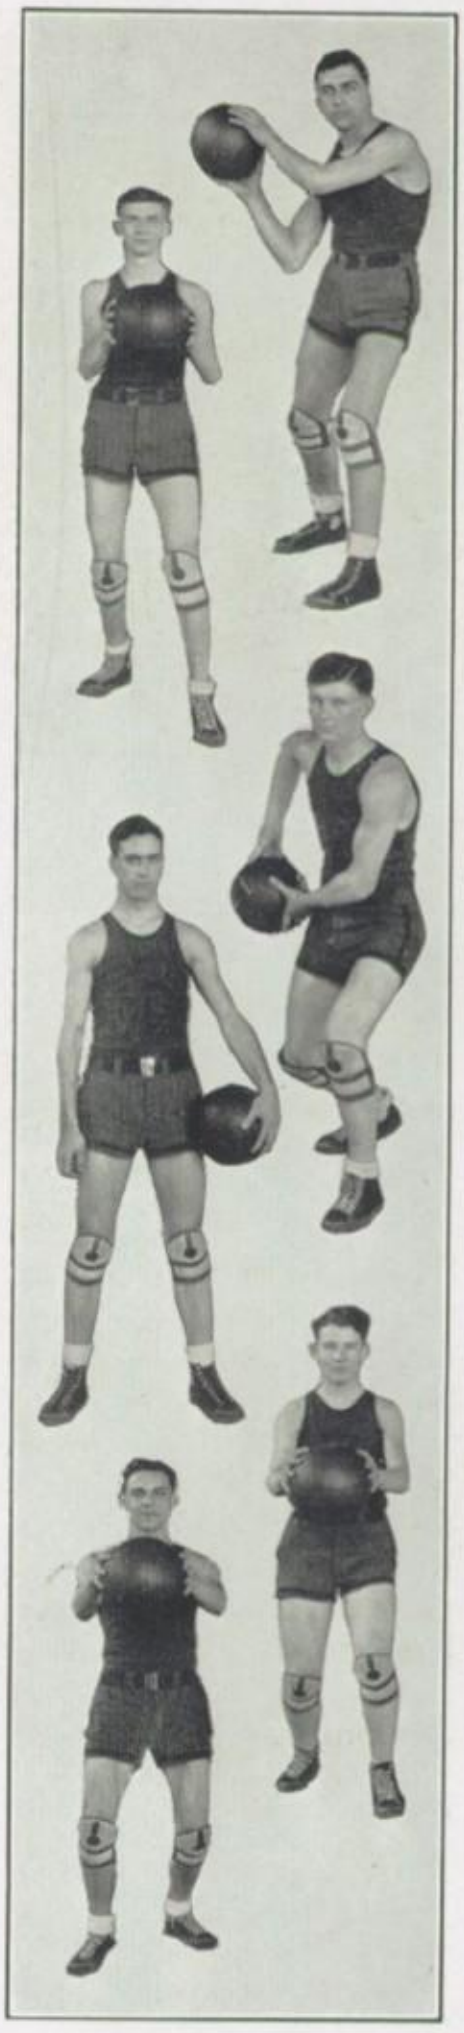
GEORGE McCOY—"*Scotty*"—*Forward*. The scrappiest little player we ever saw, with that "never say die spirit." His big game was the Swanton game at Swanton, when he lead the scoring with 12 points. Scotty has another year to play. He was also outstanding in the Bowling Green and Bucyrus games. Come on Scotty, we are with you.

BEN TURNER—"*Ben*"—*Forward*. Ben teamed it at forward with McCoy most of the season, playing guard part of the time. Ben seemed to go his best when the going was the toughest. His best games were the Rossford games along with Maumee and Delta games. He played not only a fine guarding and floor game but was also high scorer in several games. We sure will miss you a lot next year Ben.

WILLARD ROBISON—"*Bud*"—*Center*. Bud is a natural born basketball player and with a little more confidence in himself he could go far in the game. A clean hard fighter who plays with an ease and grace that is beautiful to watch. Among his best games were the Rossford game here, the Napoleon, Bowling Green and Bucyrus games. In all of these he was outstanding and high point man. We are expecting a lot from you next year Bud.

FLORIS SWEET—"*Sweetie*"—*Guard*. And what a (sweet) little player he turned out to be. This was his first year out but he handled himself like a veteran. He was awfully green at first but he listened to the coach and learned fast. With two more years to go his prospects are bright indeed. Let's go Flo!

RICHARD WELLSTEAD—"*Dick*." Richard was the only Freshie to make the grade this year. Awfully green yet, but a hard worker and a hard fighter. These two qualities are bound to make a player out of him. We are expecting big things of you during the next three years, Dick.



Basketball Review

Perrysburg had a very successful season this year winning eight out of the twelve games played. Due to the fact that we lose only two players from this year's varsity team we expect the good work to be continued next year.

PARTING OF THE WAYS

As a graduation class you are passing from one school to a greater school—the school of life. One of the lessons you must learn, if you would realize your ambitions, is the lesson of thrift.

The habit of saving, if started early, will stay through life, and go far toward determining the measure of your success.

There is no substitute for a savings account in a strong well managed banking institution.

Selectivity

The appearance of this annual or any other annual is largely due to the care and judgment of the staff in the selection of photographer, engraver and printer; and while none of us can rightfully claim full credit for the success of this volume, we at Gray's are mighty proud of our share of the job.
